Scholarship Foundation Announces 2012/2013 Awards

The USAWOA Scholarship Foundation's Selection Committee worked very hard on Saturday, 28 July 2012, and completed the review of the applications we received for scholarships. I want to thank CW5 Joy Y. Teagle, CW3 Charles A. Conaway and CW2 Alica M. Fuller for their yeomen service in evaluating and rank ordering the applicants. This is not a simple task and it grows in complexity each year as the submissions become more detailed and complex.

Through the generosity of many folks this year we are able to provide several different scholarships. We are awarding three Allnatt Memorial Scholarships, one CW4(R) Anthony J. Calabrese Memorial Scholarship, The Thousand Island WOA Scholarship, funded by the USAWOA Thousand Island Chapter, and ten USAWOA Foundation Regular Scholarships funded by our CFC program. That is a total of fifteen (15) \$1,000.00 awards. 🇺🇸

The participation of each and every USAWOA member in USAWOASF fund raising efforts, and contributions to the foundation both directly and by way of the past annual National Combined Federal Campaign (CFC) are the vehicles by which we have been able to provide this assistance to these very deserving young folks. The foundation, its Board of Directors and all applicants thank each of you for your contributions to this program.

As noted in the Scholarship Foundation Report on page 18 of this issue, the United States Army Warrant Officers Association Scholarship Foundation was not accepted for participation in the upcoming CFC as we no longer meet the Office of Personnel Management's criteria. Therefore direct contributions to the SF are essential if we are to continue supporting our young folks in funding their higher education. 🇺🇸
