

USAWOASF Regular Scholarship Program

The USAWOA Scholarship Foundation was created in 2003 to assume administration of the USAWOA scholarship program. The Foundation is pleased to offer the program for school year 2018-2019.

Applications must be complete at the time of receipt. No "partial" applications will be accepted. All applications must be received at the USAWOASF Headquarters by the 1st of May to be considered. Each application will be rated by utilizing the whole person approach. Each of the above areas must be addressed in detail because failure to do so will result in loss of points in that area and may well move the applicant out of contention for an award.
